Suma Gopi, a widow and daily waged labour who is financially broken due to the treatment of her husband. She has a son and a daughter and was staying in a small house which was incomplete. Due to the landslide during the natural calamity, part of the house and the only toilet they had got severely damaged. After this incident they were living in a temporary tarpaulin shelter next to the damaged house.

By God's Grace and the financial support from Kerala Club, U.S.A, Snehatheeram Residence association successfully executed the maintenance works.

Suma and family are extremely happy and thankful to all of us, as their daughter was getting married on 27th Jan 2019 and we were able to complete all the works before the event.
